

# Developer Tool Tasks

1. Remove Border Radius and make it a rectangular button for all the 4 items in the top Right Nav Bar

2. Change the color and increase the size of “Home Icon” in the top left corner to 30px and green color

```
a.topnav-icons.fa-home {  
  font-size: 30px !important;  
  color: green;  
}
```

3. Change the words React Quiz to “Java Quiz”

JavaQuiz

```
<h1>  
  "Java" == $0  
  <span class="color_h1">Quiz</span>  
</h1>
```

4. Change the background color of Top Nav bar to Orange.

```
.ws-black {  
  background-color: orange !important;  
  color: white !important;  
}
```

```
.topnav a.topnav-icons {  
  background-color: orange;  
}
```

```
.topnav {  
  ✓ position: relative;  
  ✓ z-index: 2;  
  ✓ font-size: 17px;  
  ✓ background-color: orange;  
  ✓ color: #f1f1f1;  
  ✓ width: 100%;  
  ✓ padding: 0;  
  ✓ letter-spacing: 1px;  
  ✓ font-family: 'Source Sans Pro', sans-serif;  
}
```

5. Change the font color of sidebar to coral and change to font-weight to bold

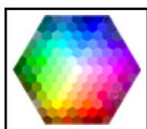

```
#sidenav a {  
  font-family: "Segoe UI",Arial,sans-serif;  
  text-decoration: none;  
  display: block;  
  padding: 2px 1px 1px 16px;  
  color: darkblue !important;  
  font-weight: bold;  
}
```

```
#sidenav h2 {  
  font-size: 21px;  
  padding-left: 16px;  
  margin: -4px 0 4px 0;  
  width: 204px;  
  color: darkblue;  
  font-weight: bold;  
}
```

6. Try different Border styles (Solid, Dashed, dotted, double, groove, inset, outset, Ridge) to color picker.

Solid:

COLOR PICKER

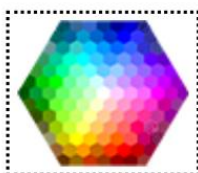

```
img {  
  vertical-align: middle;  
  border: 2px solid;  
  padding: 3px;  
}
```

Dashed:

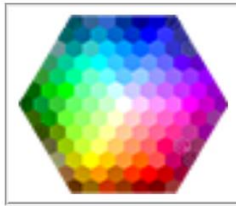

```
img {  
  vertical-align: middle;  
  border: 2px dashed;  
  padding: 3px;  
}
```

Dotted:

```
img {  
  vertical-align: middle;  
  border: 2px dotted;  
  padding: 3px;  
}
```

Groove:

```
img {  
  vertical-align: middle;  
  border: 2px groove;  
  padding: 3px;  
}
```

Inset:

```
img {  
  vertical-align: middle;  
  border: 2px inset;  
  padding: 3px;  
}
```

Outset:

```
img {  
  vertical-align: middle;  
  border: 2px outset;  
  padding: 3px;  
}
```

Ridge:

```
img {  
  vertical-align: middle;  
  border: 2px ridge;  
  padding: 3px;  
}
```

7. Change the Previous and Next button to Oval Shape.

< Home

Next >

```
.nextprev a.w3-right, .nextprev a.w3-left {  
  ✓ background-color: #04AA6D;  
  ✓ color: #ffffff;  
  ✓ border-color: #04AA6D;  
  ✓ border-radius: 40px;  
}
```

## 8. Change w3 school image to black

```
.cls-1 {  
  fill: black;  
}
```
